(©2010 written by Jim & Susie Mertz, publishing: Jim M. Music, SESAC, recorded on "Blessed!")

### ***(Chorus)***

Jesus will make it all right, Jesus will make it all right  
Jesus will make it all right – just hurry up and slow down  
Just hurry up and slow down (2x's)

Well I was on my way to work today  
I was runnin' late, that's how I started my day  
Then my tire blew a flat – now whad'ya say?  
Just hurry up and slow down

He just got paid and the house note's due  
He ain't got enough bread to pay them and you  
Now there ain't nothin' much more that he can do  
But hurry up and slow down, hurry up and slow down

### ***Chorus***

She's got a husband at home who likes to drink too much  
She can't remember when she last felt his lovin' touch  
She feels so lonely and lost and she cries too much  
Better hurry up and slow down

His woman's got affliction with her credit card  
She takes it out on the town like she's a movie star  
Now the bill collectors at her door – he's knockin' hard  
Better hurry up and slow down, hurry up and slow down

### ***Chorus (2x's)***

If ya have a talk with god and your heart is right  
He'll lift ya up with loving hands this very night  
Now get down on your knees and pray cuz there's hope in if you hurry up and slow down...  
Just get on your knees on the ground...  
And Jesus' love will abound (that's right!)...

Just hurry up ~ drink from the common cup!  
Better hurry up and slow down
