

Nearer My God To Thee

(written and copyright by Gus McNair)

(verse 1)

Nearer my God to Thee
In my heart I start to pray
Lord, I've fallen from You
And I don't know what to say
I can still feel Your presence
Your voice it gently guides
I don't deserve you Lord
But I cannot make a stride
But in the midst of confusion
My heart will pray
As I open up my mouth this is what I say

(chorus)

I wanna be nearer my God to Thee
Nearer my God to Thee....nearer my God to Thee

(verse 2)

As a hart pants for the water brook
So panteth my soul
To feel Your anointing
And for You to take control
I have been in the valley
But I didn't go there to stay
I need a renewal (Lord)
In a spiritual way
But in the midst of confusion
My heart will pray
As I open up my mouth this is what I say

chorus (2 times)

(bridge)

Each day my prayer will be
Nearer....my God to Thee....nearer to Thee
(repeat 3 times)
