

Over There

(©2010 written by Jim & Susie Mertz, publishing: Jim M. Music, SESAC, recorded on "Blessed!")

(chorus)

Streets of gold, I am told there'll be no more crying over there
No more pain, all to gain, there'll be no more crying over there

I want to see my Jesus, the everlasting arm
Where there is only joy and peace and never any harm
No sun or moon or night-time and we will see his face
His glory lights the city as we pass through the gates

chorus

Over there! He said, all things have been made new
And everything I tell you is trustworthy and true
Over there! Just through heaven's gates,
The Alpha and Omega, the Prince of Peace awaits

chorus (modulate)

No more dying, no more sighing, there'll be no more crying over there!
Over thereover thereover thereover there
